ABOUT SCITECH DIPLOHUB

SciTech DiploHub, the Barcelona Science and Technology Diplomacy Hub, is the nonprofit public-private partnership in charge of implementing Barcelona's science diplomacy strategy. Backed by Barcelona's research centers, universities, non-profits, corporations, startups and public institutions, SciTech DiploHub has the global mandate to make Barcelona an influential global player through science, technology and innovation and its contribution to tackling humanity's greatest challenges.

ABOUT IBEI

IBEI is an inter-university institute created in 2004 as a joint effort of all five public universities in the Barcelona metropolitan area and CIDOB (Barcelona Centre for International Affairs) to promote training and research in politics, international relations and global challenges. It has become a consolidated and highly recognized academic and research center at both European and international levels.
