### SHORT BIO

#### **Ram May-Ron – Managing Partner, Vice President**

For the past 8 years Ram May-Ron has been a leading figure within FreeMind. Initially leading FreeMind's Professional Services Department and later becoming a partner and part owner of FreeMind and taking upon himself the full responsibilities of both FreeMind's marketing and business development efforts, as well as the overall management of FreeMind's professional services activities. Mr. May-Ron has more than 15 years of experience as a leading strategic analyst, both in the business and political sectors. He has led a strategic consulting firm and has served as a top strategy advisor to several international organizations and elected political officials. Mr. May-Ron serves on the board of directors for several companies and has a wide range of experience in marketing and business development. Mr. May-Ron holds an MEI (Master of Entrepreneurship and Innovation, International Business Management) from Australia's Swinburne University of Technology. He also holds a Masters degree in International Relations, focusing on strategic decision making processes from the Hebrew University of Jerusalem, winning the International Relations Department's academic excellence scholarship.
